

Focus Automation

Your Partner in Industrial Automation Journey ...

Application Notes

Material Handling

Stacker

Reclaimer

Crusher

Ash Handling

Material Conveying

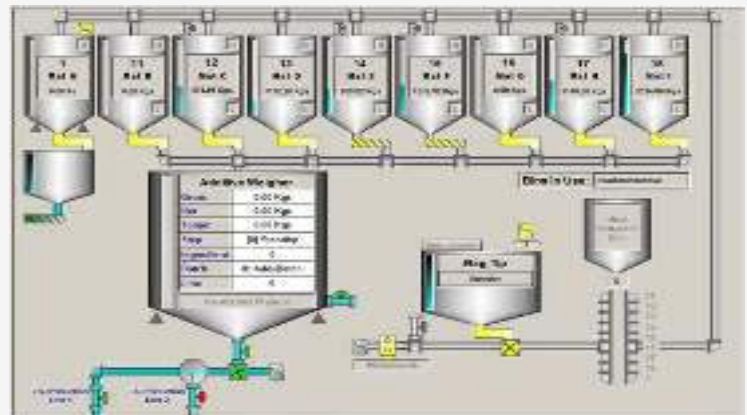

Coal Handling

Focus Automation Supply :

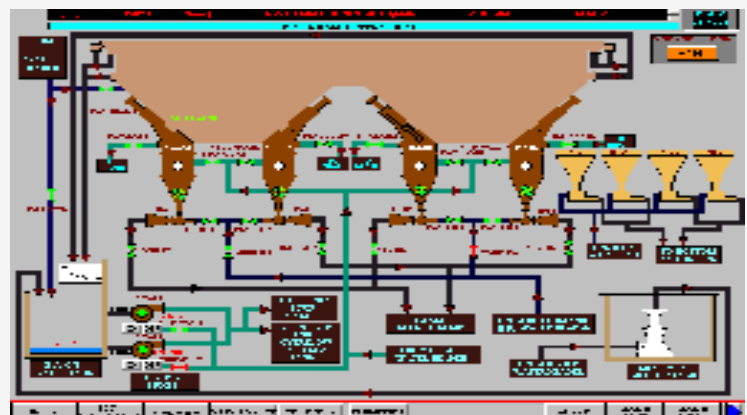

- ❑ Total Integrated Electrical ,control system and Instrumentation packages offered for :
 - Stacker & Recamier Systems,
 - Raw Material Handling,
 - Ash Handling
 - Conveying systems.

System Features :

- ❑ PLC based sequential interlocked operation of Stackers & Re-claimers, and Conveyor applications which includes supply of VFD system for
 - Travel Drive
 - Boom Conveyor
 - Intermediate Drive
 - Luffing & Slewing Drive.
- ❑ Use of Radio Modems for Remote Operations.
- ❑ Provides seamless Communication Architecture for PLC/Drives etc.
